The Ritz-Carlton has enlisted [StyleChic's](#) Aly Scott (pictured) to bring you a truly "Hollywood" getaway [experience](#) complete with a personal style consultation, exclusive shopping privileges and [plenty](#) of champagne.

According to a rep from the hotel, "Where do I shop?" is one of the most commonly asked questions at the front desk. Aly can certainly help with that, and help you hone your own style -- whether you're [preparing](#) for a special event or just looking for a great [girlfriends](#) or mother-daughter getaway.

The custom [packages](#) from the [Ritz-Carlton, Los Angeles](#) are the "Red Carpet Getaway" and the "Stylecation":

Red Carpet Getaway (from \$3,000 double occupancy or \$2,500 single occupancy)

- Guaranteed early check-in and late check-out
- Two nights deluxe overnight accommodations at The Ritz-Carlton, Los Angeles
- Club Lounge access; enjoy complimentary beverages and continuous culinary offerings throughout your stay
- Dinner for two at chef Wolfgang Puck's award-winning WP24 Restaurant & Lounge
- Pre-arrival consultation with Aly Scott, founder of StyleChic
- Six hour customized [StyleChic](#) experience with Aly Scott
- Choice of \$100 Spa Credit or 60 minute personal training session
- Personalized welcome amenity hand-selected by StyleChic

Stylecation (from \$1,800 double occupancy or \$1,200 single occupancy)

- Guaranteed early check-in and late check-out
- Overnight deluxe overnight accommodations at The Ritz-Carlton, Los Angeles
- Dinner for two at chef Wolfgang Puck's WP24 Restaurant & Lounge
- Three hour personalized [StyleChic](#) experience with Aly Scott
- Choice of \$100 Spa Credit or 60 minute personal training session
- Personalized welcome amenity hand-selected by [StyleChic](#)

Both packages include a custom [StyleChic](#) itinerary tailored to you. Need some ideas? How about a champagne welcome in the newly opened VIP terrace lounge at Tods on Rodeo Drive? A private, white glove atelier service appointment with a high fashion fine jeweler known for his work with Beyonce, Rihanna and Zoe Saldana? You can also [visit](#) a custom couture atelier, have lunch at The Ivy, meet up and coming designers, hit the back room of an appointment-only vintage boutique and more, all chauffeured around in a private [town](#) car, of course.

We love these packages because they are designed to make you feel like a star -- after all, who would want to fly to LA for a quick night or two to shop? Celebrities. They're just like us.
