5/12/2007 12:02 AM PDT by TMZ Staff

"90210" alums Tori Spelling and Jason Priestley just missed out on having a mini West Beverly High reunion at a Silver Spoon event in the Hills. All together now: Donna Martin graduates!

TMZ has learned Tori showed up at 9:30 AM with husband Dean McDermott, newborn son Liam, and of course, a nanny! You can take the girl out of the Spelling mansion ... but girlfriend can't shop with a screaming baby! [StyleChic's](#) Aly Scott says Tor cooed when she saw a Metrowrap blanket and immediately snugged her little heir in it. The group then left for Vegas -- in a limousine! Guess that bed and breakfast show is doing well!

TMZ spys say Jason arrived with his very pregnant wife, Naomi Lowde, and picked up a customized West Coast Wagon for their soon-to-be born baby. Jason & the Mrs. were overheard saying how if fellow "90210" vet Ian Ziering doesn't win "Dancing with the Stars," they're rooting for Apolo Ohno. A source tells TMZ, Jason and Naomi are amazed by the petite Olympian's well developed backside. Move over J.Lo, it's A.Oh!

Tori and Jason came out to help the silver spoon girls, queens of gifting and setting trends among celebs, launch their baby line "the silver spoon baby- I was born with one." For those of us not lucky enough to get invited to a celeb gifting event, the line is available in select stores or at jenniferkaufman.com.

Hammittbags.com/Composite: TMZ.com

In between Angie saving the world and Tori opening a Bed and Breakfast, both ladies recently picked up [Hammitt's](#) \$600 Suzy leather diaper bag. No Babies "R" Us for these mamacitas! [StyleChic's](#) Aly Scott tells TMZ that Angelina got hers in Oscar-winning black, while Tori opted for one in a more reality show appropriate hue.

McSteamy Gets Even Steamier

2/9/2007 11:59 PM PST by TMZ Staff

Recently, "Grey's Anatomy" hunk Eric Dane aka McSteamy, heated things up with his wife, actress Rebecca Gayheart, at a West Hollywood day spa.

While the sexy lovebirds hit trendy [Ruth's Skin Care](#) salon on Melrose Ave. for some relaxing facials, Dane couldn't help but get in the Valentine's Day mood. We're told that as Rebecca was getting a collagen facial, Eric snuck into the room and pretended to be one of the aestheticians, so he could give her a foot massage. Lucky girl! Since Rebecca had her eyes closed during her treatment, she didn't know Eric was performing the sensual rub until after it was done.

Awww, he had us at hello!

Celebrity lifestyle guru Aly Scott, from [StyleChic](#), tells TMZ that Ruth's now has a special couples massage room with two beds and a private stone shower. Which can only mean things will get even steamier the next time Eric and Rebecca stop by!

Mena Works for Her Bling

1/23/2007 12:00 PM PST by TMZ Staff [Like](#)

Mena Suvari was spotted at a trendy Melrose boutique – working!

Suvari recently hit the hip [Suzanne Felsen](#) jewelry shop in search of a pair of large hoop earrings with a bright gemstone that she could wear every day. (The Fred Leighton loaners are for Oscar night!) But when Mena arrived at the A-list haunt, it was so busy that she wound up waiting until closing time – and helped the staff put away all the displayed jewelry! Now *that's* an "American Beauty."

Luckily, Mena's hard work paid off; she found a pair of 18K white gold hoops with amethysts, which retail for \$3200, so says [StyleChic's](#) Aly Scott. Hopefully, she got the employee discount!
