

## SHOPPING: STYLE CHIC

# Style Advice

Los Angeles has a myriad of enticing fashion boutiques for the chic, but finding the ones that perfectly fit your style can be harder than walking a mile in your Christian Louboutin platforms.

Thanks to a shopping service called StyleChic, you can have your own professional L.A. stylist guide you through six hours of shopping at L.A.'s best shops, tailored to your fashion needs. You'll also receive complimentary champagne, celebrity discounts, private retail service, and a goody bag filled with various high-end gifts. And don't worry about scuffing up your Manolos because you'll be chauffeured around in a luxury town car. \$1,500. —BC
