For the style-impaired:  
[Stylechicla.com](http://Stylechicla.com)

So you may not have a swanky Beverly Hills Hotel manager named Barney to shove your wardrobe in the right direction à la *Pretty Woman*, but you can have Aly Scott, stylist extraordinaire, show you the fashion sites. Choose one of three packages: star chic, luxury chic, or vintage chic, and Ms. Scott will use her fashion know-how and VIP discount to turn that fashion faux pas exhibit (a.k.a. your closet) into a garment wonderland.
